GLENMORANGIE

SINGLE MALT SCOTCH WHISKY

PERFECTION IN MIND

“We’ve always realised that pursuing perfection is rather a long journey. We just know it’s a trip worth making.”

The Tallest Stills

Our stills are the tallest in Scotland. Their long copper necks stand at 5.14 metres (16ft 10 1/4 inches), the same height as a fully grown adult giraffe! Which means that only the very lightest and purest vapours make it to the top, giving a smoother, more elegant whisky.

We Only Use Our Casks Twice

At Glenmorangie we select the finest oak casks in which to mature our whisky. But that’s not all, because we then only use each one twice for Original (whilst many others use their up to five or six times), ensuring that the maximum amount of flavour is always extracted during maturation, delivering a rounder, smoother taste.

Pioneers In Extra Maturation

Having pioneered extra maturation over 20 years ago, our whisky creators continue to travel the world in their search for exceptional casks. Casks that will provide additional, intriguing layers of flavours to the original character of Glenmorangie.

DINNER & TASTING MENU

Hosted by Dan Cromwell, Glenmorangie Central Region Ambassador

FIRST COURSE

- Grilled Shrimp -

Vanilla, Saffron, Scotch, Honey, Butter Sauce, Grilled Lychee, Crispy Shallot

GLENMORANGIE, THE ORIGINAL

The original expression of our elegant, floral spirit and the real backbone of the Glenmorangie range. A ten-year-old single malt, Glenmorangie Original is produced by marrying the delicate spirit that emerges from Scotland's tallest stills, with first and second fill American white oak casks.

SECOND COURSE

- Lamb Tangine -

Apricots, Figs, Cous-Cous, Gremolata

GLENMORANGIE, NECTAR D'OR

"Great to see French casks that actually complement a whisky - so rare! An exercise in outrageously good sweet-dry balancing" It is here, in hand selected wine barriques from Sauternes: the most famous and ancient sweet wine growing region of France, that this whisky develops its rich, spicy and dessert-like flavours. Non chill-filtered for additional aroma and mouthfeel.

THIRD COURSE

- Grilled Quail -

Date, Almonds, Charred Carrots

GLENMORANGIE, 18 YEARS OLD

The 18 Years Old is a single malt Scotch whisky of serious distinction. Once it has spent fifteen years maturing in American white oak casks approximately 30% is transferred into Spanish Oloroso casks to spend a further three years maturing. Then, when both elements have reached 18 years, we blend them back together to create a whisky with a rich bouquet and full, rounded flavour. For a whisky of this age this expression has maintained, thanks to our delicate floral spirit and fine Oloroso casks, an incredible degree of vibrancy where the raisiny sweetness of the sherry has been toned down by the nuttiness of the American oak.

FOURTH COURSE

- Pot de Crème -

Dark Chocolate, Orange, Grand Marnier

GLENMORANGIE, QUINTA RUBAN

The darkest and most intense whisky in the extra-matured range, Glenmorangie Quinta Ruban has spent 10 years maturing in American white oak casks, before being transferred into specially selected ruby port pipes from the Quintas or wine estates of Portugal. Extra maturation in these port pipes develops Glenmorangie Quinta Ruban into a voluptuous spirit with a complex balance of sweet and dry flavours and an intriguing contrast of smooth and crisp, cooling textures. Non chill-filtered for additional aroma and mouthfeel.
